Charter of Dignity

The Board of Management of Gaelscoil de hÍde wish to promote and maintain a positive working environment in the school where the right of each individual to dignity at work is recognised and protected.

Our Charter of Dignity is based on the core values of care, integrity, respect and trust.

Care

Our work practices are always motivated by the best interests of the pupils/colleagues in the school. We show this through positive influence, professional judgement and empathy in practice.

Integrity

Honesty, reliability and moral action are embodied in integrity. We exercise integrity through our professional commitments, responsibilities and actions.

Respect

We uphold human dignity and promote equality and emotional and cognitive development in our school. We demonstrate respect for spiritual and cultural values, diversity, social justice, freedom, democracy and the environment.

Trust

Our relationships with pupils/students, colleagues, parents, school management and the public are based on trust. Trust embodies fairness, openness and honesty.
